SYSTEM MAP - CANTOR

A - EROK

School: NA

Description: A dense ball of metal and star-scorched rock

E - MOLALLA

School: Planets' Rights

Description: Densely populated, terrestrial planet; home of the exiled rulers of Deck, wealthy industrialists.

B - TERRA NOVA

School: The Ambassadors

Description: An Earth-like planet; home of Cantor's most well-known ambassadors and diplomats.

F - THE PIRATE FLEET

School: The Pirate Code

Description: Inhabitable, terrestrial planet; homebase of the pirate fleets of Cantor; raid rich targets that are in violation of the treaties.

C - ILLYUM

School: Barristers

Description: Ocean world; no land; marine life abundant; other materials rare; tribes float on kelp islands called "firms;" marine law.

G - AGRUM

School: NA

Description: Storm-ridden gas giant; source of volatile gasses & liquid metals; difficult to map; perpetual storms serve as waypoints

D - ATTIS

School: Hållbarhet

Description: Temperate; exaggerated tilt plunges hemispheres into deep night; inhabitable equatorial band concentrates on recycling; connects to outliers via monorail.

H - AMNIR'S WALL

School: NA

Description: Asteroid belt encompassing the system; water & mineral rich; mapped bit-by-bit by mining operations
